

## **Gearbox Exchange Program**

- Up to 30% Exchange Credit!
- Convenient Streamlined Maintenance Planning
- Lower Lead Time = Greater Uptime

When gearbox maintenance requires more than a simple seal change, the Sundyne Gearbox Exchange Program is an option many Maintenance Engineers prefer.

### **The Sundyne Gearbox Exchange Program Enables:**

**More efficient maintenance planning**

**Reduced maintenance downtime**

**Proactive reliability management**

**Minimal reactive repair actions**

# A Smarter Application of Maintenance Resources

Exchange your Gearbox for a Factory Built Replacement with the Latest Design Improvements and an Extended Warranty

## Who Should Consider a Gearbox Exchange?

- Any Sundyne unit scheduled for overhaul
- Facilities with limited or newly developing maintenance staff
- Facilities looking to dramatically reduce maintenance inventory and planning.
- Any gearbox repairs beyond a simple seal change.

Reliability Realized is our promise to provide comprehensive product support from start-up to decommission.

Sundyne's Gearbox Exchange Program provides greater financial incentives (up to \$10,000 USD in most cases) for returning old gearboxes.

Exchange gearboxes feature a wide range of design improvements, and come with 12 month warranties from start up, or 18 months from shipment.

## Exchange and Save!

The Gearbox Exchange Program can be applied to any Sundyne LMV, LMC, BMP or BMC gearbox and may be eligible for the 33XN Gearbox Upgrade. Once your request is received, Sundyne will ship the gearbox while the old unit is returned for credit.

## The Benefits of the Gearbox Exchange Include:

- Reduced Inventory Requirements
- Better Use of Maintenance Resources Saves Time
- MRO Savings
- Fast & Easy, Bolt on Upgrade
- Optional Gearbox Re-Rate to Optimize Performance
- Convenient, Streamlined Maintenance Option
- Extended Warranty

## Backed By Global Support

Sundyne is more than just a manufacturer of high quality compressors and pumps. We offer some of the fastest delivery times in the industry, and we back each product shipped with a full range of aftermarket support services, extending the value of our highly engineered machines well beyond the point of sale.

And with our engineered solutions, worldwide presence and compact designs, installation and maintenance has never been more efficient.

The Sundyne service team is here to help protect your investment and provide a trouble-free customer experience at every turn. That's **RELIABILITY REALIZED.**

Our Aftermarket Programs Include:

- Gearbox Exchanges & Upgrades
- Maintenance Kits
- Conversion Programs
- On-Site SundSCHOOL
- Field Service Support
- Overhaul and Repair Services
- Site Surveys
- Emergency Expedite Services

## Sundyne: An OSHA VPP Star Site

At Sundyne, Environmental Health and Safety (EH&S) is integral to our culture of excellence, and providing a 100% safe work environment through the manufacturing and installation phases of a project is a core priority.
